Stage Make-up

Students will enter the exciting world of theatrical make-up application. Each student will receive her/his own student make-up kit. Students will learn techniques such as "recital", old age, animal, stylized and monster. They will fill their Theatre Tech notebook with photos of their finished looks.
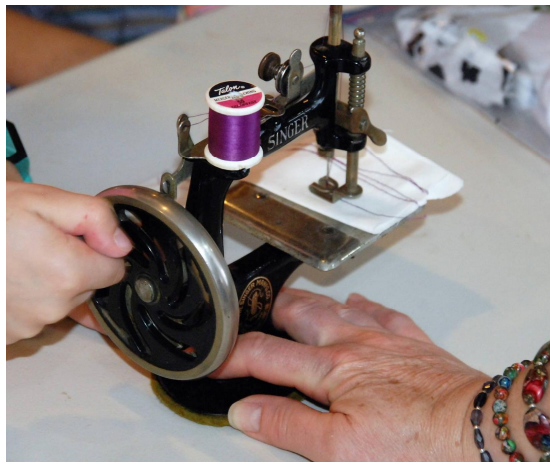

Costuming

Students will gain a broad foundation in the necessary tools and skills needed for basic sewing and costuming. They will learn machine skills for basic costuming and the hand sewing skills needed for fine detail and embellishment work. They will then use those skills to work projects through from beginning to end.

Scenic painting

Students will gain practical skills in several aspects of scenic painting techniques including faux wood grain, brick, foliage and more. As they progress through the weeks they will produce projects that they will bring home with them.
